INDEPENDENT AUDITORS' REPORT

To the Board of Directors,
Tampa Bay Workforce Alliance, Inc.:

Report on the Financial Statements

We have audited the accompanying financial statements of Tampa Bay Workforce Alliance, Inc., which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tampa Bay Workforce Alliance, Inc. as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

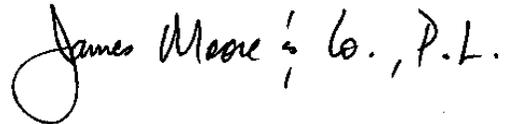

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 17, 2022 on our consideration of Tampa Bay Workforce Alliance, Inc. internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Tampa Bay Workforce Alliance, Inc. internal control over financial reporting and compliance.

Notes to Financial Statements Year Ended June 30, 2021 and 2020

(1) **Nature of Organization and Purpose**

Effective February 10, 2014, Tampa Bay Workforce Alliance, Inc. (TBWA) began doing business as CareerSource Tampa Bay. The rebranding was in coordination with Florida's Workforce System to have a unified brand state-wide. The Tampa Bay Workforce Alliance, Inc. was organized on June 27, 2000, in Tampa, Florida, and created in accordance with the Florida Workforce Innovation Act of 2000 to serve as the administrative entity for programs of the Local Workforce Development Board in Hillsborough County (the Board). This public-private partnership supports and promotes economic growth through workforce development. The Board consists of representatives of business, education, labor, economic development, organizations identified as one stop partners, and other individuals as appointed by the Hillsborough County Board of County Commissioners. The Board is one of twenty-four Local Workforce Development Boards in the State of Florida providing for the development, planning, monitoring and administration of the following grants and programs:

- Corona Virus Relief Fund
- Temporary Assistance for Needy Families
- Workforce Innovation and Opportunity Act:
 - Adult
 - Dislocated Worker
 - Youth
- Wagner Peyser
- Military Spouse
- Disabled Veterans Outreach Program
- Local Veterans Employment Representative Program
- Trade Adjustment Assistance
- Supplemental Nutrition Assistance Program
- Reemployment Services and Eligibility Assessment
- H-1B Job Training (Tech Hire Partnership Grant and Tech Quest Apprenticeship)
- National Dislocated Worker Grants (Hurricanes and Wildfires and Disaster-FL-COVID 19)

(2) **Summary of Significant Accounting Policies**

The following is a summary of the significant accounting policies and practices of TBWA which affect the accompanying financial statements:

(a) **Basis of Accounting**

TBWA follows the provisions of the Financial Accounting Standards Board of Accounting Standards of Codification ("FASB ASC") and the standards of financial reporting for not-for-profit organizations as described in the American Institute of Certified Public Accountants' *Industry Guide for Not-for-Profit Organization*. Accordingly, the financial statements are prepared on the accrual basis of accounting. The financial statements of TBWA are the representation of management and include estimates of amounts and judgment it believes are reasonable under the circumstances.

Notes to Financial Statements

Year Ended June 30, 2021 and 2020

(2) **Summary of Significant Accounting Policies – Continued**

(a) **Basis of Presentation**

Net assets of TBWA and changes therein are classified and reported as follows:

Net assets without donor restrictions

Net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions

Net assets subject to donor-imposed restrictions are temporary in nature, such as those that will be met either by actions of TBWA and/or passage of time. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity.

All other revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreased in net assets without donor restrictions. Gains and losses on assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or by laws. Expirations of net assets with donor restrictions (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time has elapsed) are reports as net assets released from restrictions.

The organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized.

(b) **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

(c) **Financial Instruments Not Measured at Fair Value**

The Organization's financial instruments are not measured at fair value on a recurring basis; however, certain financial instruments are recorded at amounts that approximate fair value due to their liquid or short-term nature. Such financial assets and financial liabilities include cash and cash equivalents, grant receivables, prepaid expenses, accounts payable, accrued expenses and deferred revenue.

(d) **Cash and Cash Equivalents**

For purposes of reporting cash flows, all deposits with an original maturity of three months or less are considered to be cash equivalents. Cash designated to fund accrued paid time off is classified as restricted cash in the accompanying statement of financial position.

(e) **Grants Receivable**

TBWA's grants receivable consist of amounts to be received from governments and governmental agencies for grants and appropriations. TBWA considers its receivables to be fully collectible. Accordingly, no provision for uncollectible amounts has been made in the accompanying financial statements.

(f) **Accounts Receivable**

TBWA considers accounts receivable to be fully collectible at June 30, 2021 and 2020. Therefore, no provision for uncollectible amounts has been made in the accompanying financial statements.

TAMPA BAY WORKFORCE ALLIANCE, INC.

Notes to Financial Statements
Year Ended June 30, 2021 and 2020

(2) **Summary of Significant Accounting Policies – Continued**

(g) **Prepaid Expenses**

Prepaid expenses consist of prepaid insurance, rents, services and participant incentive cards. Incentive cards are Visa cards in various denominations. Unused incentive cards are recorded as prepaid expense. These incentive cards are used for providing support services to participants served by TBWA.

(h) **Investments Held by Others**

Investments held by others represent beneficial interest in assets held by others. In accordance with guidance related to accounting for contributions held by an organization for the benefit of another organization, which states that organization that transfer assets to other not-for-profit agencies who specify themselves as beneficiaries and has not granted variance power, are not considered expenses and recorded as an asset in the statement of financial position at fair value as investments.

(i) **Property and Equipment**

Property and equipment are stated at cost, if purchased, or at estimated fair value at date of receipt if acquired by gift. Depreciation is recognized over the estimated useful lives of the assets of three to seven years for property and equipment using the straight-line method. For leasehold improvements, the estimated useful life is between five to fifteen years or the lesser of the life of the asset or lease term, using the straight-line method. All expenditures for property less than \$5,000 are expensed when purchased.

In the event of disposal of property and equipment acquired through expenditures of federal funds, TBWA may be required to return the property and equipment to the funding source or obtain its approval to dispose of the property and equipment. Additionally, the proceeds from any disposal of property and equipment may be required to be refunded to the respective funding source.

(j) **Personal Time Off**

TBWA employees are entitled to personal time off (PTO). PTO is based on length of employment and other factors. PTO is accrued when earned. PTO of \$485,376 and \$408,734 and recorded as accrued personal time off in the Statement of Financial Position at June 30, 2021 and 2020, respectively.

(k) **Customer Payable**

TBWA provides eligible participants a forum for training in demand driven occupations through Incumbent Worker Training (IWT), On-the-Job Training (OJT) and Occupational Skills Training (Individual Training Account – ITA). With an OJT, a local employer provides on-the-job training for a full-time salary or hourly position listed in TBWA’s targeted occupation list.

TBWA reimburses the employer for a fixed portion of the OJT training costs. ITA provides eligible participants a pre-established amount of funding to access approved training programs, provided by eligible training providers, in order to qualify for occupations that are in high demand in the local area and throughout the state. IWT is training is developed with an employer or employer association to retain a skilled workforce or avert the need to lay off employees by assisting their workers in obtaining the necessary skills to retain employment. Costs associated with training services received but not paid as of the end of the fiscal year are \$1,055,468 and \$311,077 at June 30, 2021 and 2020, respectively, and recorded as customer payable in the Statements of Financial Position.

TAMPA BAY WORKFORCE ALLIANCE, INC.

Notes to Financial Statements

Year Ended June 30, 2021 and 2020

(2) Summary of Significant Accounting Policies – Continued

(l) Revenue Recognition

A significant portion of the Organization's revenue is derived from cost-reimbursable federal, state, and local contracts and grants, which are conditioned upon certain performance requirements and/ or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. At June 30, 2021 and 2020, \$541,790 and \$893,385, respectively, have been received in advance and/or have not been recognized because qualifying expenditures have not yet been incurred under the organization's federal, state, and local contracts and grants.

(m) Functional allocation of Expenses

The cost of providing TBWA's various programs and other supporting services have been summarized on a functional basis in the statement of activities. Direct expenses are charged directly to the related program. Certain costs which are directly shared have been allocated to programs based upon the relative benefits received. Expenses that are not directly identifiable with a specific program are allocated as indirect costs to benefiting programs based upon the Organization's indirect cost rate. For the period July 1, 2020 through June 30, 2022, the Organization negotiated a provisional indirect cost rate of 16.58% of modified total direct cost. A final indirect cost rate of 9.26% of modified total direct costs was utilized for the fiscal year ending June 30, 2021 based on actual expenditures.

Supporting services in the statement of activities include expenses that have been allocated both directly and indirectly to the Organization's programs. Supporting services include planning, development, oversight and administrative functions of all programs, support services for the One Stop System including Information Technology, Management Information Systems, Facility Management, Community Outreach, and One Stop Staff training and development activities.

(n) Investment Held by Others

TBWA established an Agency Reserve Fund (ARF) at Community Foundation of Tampa Bay, Inc. (CFTB) to hold its non-endowment, unrestricted funds. CFTB does not have variance power and is not able to modify or restrict these assets. The assets of the ARF are invested according to CFTB's Investment Policy. TBWA will receive quarterly reports detailing the contributions, distributions and earned income/loss of the ARF. TBWA may withdraw funds four (4) times each calendar year contingent upon approval by an affirmative vote of seventy-five percent (75%) of TBWA Board Directors.

(o) Income Taxes

TBWA is a not-for-profit corporation under the laws of the State of Florida and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Internal Revenue Code provides for taxation of unrelated business income under certain circumstances.

TAMPA BAY WORKFORCE ALLIANCE, INC.

Notes to Financial Statements

Year Ended June 30, 2021 and 2020

(2) Summary of Significant Accounting Policies – Continued

(o) Income Taxes - Continued

TBWA believes that it has no liability for taxes with respect to unrelated business income. However, such status is subject to final determination upon examination of the related income tax returns by the appropriate taxing authorities.

TBWA follows Accounting Standards Codification Topic 740, *Income Taxes* (“ASC 740”). A component of this standard prescribes a recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities.

TBWA’s policy is to recognize interest and penalties associated with tax positions under this standard as a component of tax expense, and none were recognized since there was no material impact of the application of this standard for the years ended June 30, 2021 and 2020. As required by Internal Revenue Service regulations, the Organization annually files a Form 990, “Return of Organization Exempt from Income Tax” with the Internal Revenue Service. Tax returns for the past three years remain subject to examination by tax authorities.

(p) Community Outreach

The Organization expenses Community Outreach costs as incurred. Community Outreach expense for the years ended June 30, 2021 and 2020 totaled \$381,770 and \$184,123 respectively.

(q) Retirement Plan

The provision for employer contribution costs is recorded on an annual basis. Employer contributions are funded as they accrue.

(r) Federal Matching and Leveraged Contributions

Certain Federal programs require cost sharing (match) or leveraged contributions as a condition of the grant award. This match or leveraged contributions may be cash, in-kind or a combination. The amount of qualifying leveraged contributions received during the fiscal year ended June 30, 2021 and 2020 totaled \$3,794 and \$562,687, respectively. These amounts are not recorded in the Statements of Activities as they do not meet the criteria for financial statement recognition.

(s) In-Kind Contributions

In-kind contributions of services, goods or space may be donated during the year. Contribution of services are recognized as in-kind revenue at their estimated fair market value when they create or enhance nonfinancial assets, or they require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not donated. Contributed space of \$4,060 and \$6,426 for the fiscal years ended June 30, 2021 and 2020, respectively, is recognized in the Statement of Activities as In-Kind Revenue.

(t) Subsequent Events

TBWA has evaluated events and transactions for potential recognition or disclosure in the financial statement through February 17, 2022, the date the financial statements were available to be issued.

TAMPA BAY WORKFORCE ALLIANCE, INC.

Year Ended June 30, 2021 and 2020

(2) Summary of Significant Accounting Policies – Continued

(u) Recent Accounting Pronouncements

The FASB and other entities issued new or modifications to, interpretations of, existing accounting guidance during 2021 and 2020. TBWA has considered the new pronouncements that altered accounting principles generally accepted in the United States of America, and other than as disclosed in the notes to the financial statements, does not believe that any other new or modified principles will have a material impact on TBWA's reported financial position or operations in the near term.

Due to the Coronavirus Disease 2019 (COVID-19), FASB issued Accounting Standards Update (ASU) 2020-05: *Revenue from Contracts with Customers and Leases*, to defer the effective date of Accounting Standards Update (ASU) 2016-02: *Leases (Topic 842)*. The ASU increases the transparency and comparability among organizations by recognizing lease assets and lease liabilities on the Statement of Financial Position and disclosing key information about lease arrangements. The ASU is effective for fiscal years beginning after December 15, 2021 and may be adopted early. TBWA is currently evaluating the effect that implementation of the new standard will have on its financial position, results of operation, and cash flows.

On September 17, 2020, The FASB issued Accounting Standards Update 2020-07: *Not-for-Profit Entities (Topic 958): Presentation and Disclosure by Not-for-Profit Entities for Contributed Nonfinancial Assets*, to increase the transparency around contributed nonfinancial assets (also known as "gift-in-kind") received by Not-for-profit organizations, including transparency on how these assets are used and how they are valued. The new standard is effective for annual periods beginning after June 15, 2021 and may be adopted early. TBWA is currently evaluating the effect that implementation of the new standard will have on its financial position, results of operation, and cash flows.

(3) Reclassification of Prior Year Presentation

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the prior period change in net assets without donor restrictions.

(4) Restrictions on Cash and Cash Equivalents

The following table provides a reconciliation of cash, cash equivalents and restricted cash reported within the statement of financial position at June 30, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Cash and cash equivalents	\$ 965,678	\$ 1,157,266

(5) Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following at June 30, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Financial assets available within one year, at year end		
Cash and cash equivalents	\$ 965,678	\$ 1,157,266
Board designated - restricted cash	485,376	408,734
Grants receivable	1,483,382	603,638
Accounts receivable	20,591	10,767
Less those unavailable for general expenditures within one year, due to:		
Board designated - restricted cash	<u>(485,376)</u>	<u>(408,734)</u>
Additional available assets for use over the next 12 months - not designated by donor or board restrictions	<u>\$ 2,469,651</u>	<u>\$ 1,771,671</u>

As Board designated restricted cash are already designated as expenses, these are removed from assets available for general expenditures. As shown in the table above, TBWA has adequate financial assets available to meet unexpected liquidity needs. Although board designated funds are set aside for a particular purpose, these amounts could be made available if necessary.

(7) **Investments Held by Others**

TBWA uses fair value measurements to record fair value adjustment to certain assets and liabilities and to determine fair value disclosures and follows the provisions of FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, the authoritative guidance for fair value measurements of investments that are recognized at fair value in the financial statements. ASC Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques to measure fair value. The hierarchy gives the highest priority to quoted prices in active markets for identical assets (Level 1) and the lowest priority to measurements involving significant unobservable inputs (Level 3).

The three levels of fair value hierarchy are as follows:

- Level 1: Inputs to the valuation methodology are quoted prices available in active markets for identical assets as of the reporting date.
- Level 2: Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and
- Level 3: Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset and the reporting entity makes estimates assumptions related to the pricing of the assets or liability including assumptions regarding risk.

Fair Value of Financial Instruments

At June 30, 2021, the carrying value of all financial instruments approximates fair value. The following methods and assumptions were used to estimate the fair value of each class of financial instruments:

Investments Held by Others

Carrying value is measured at fair value with a valuation technique utilizing market prices at the close of the last business day for the statement period, provided by the Community Foundation of Tampa Bay.

(10) Investments Held by Others

TBWA established an Agency Reserve Fund (ARF) at Community Foundation of Tampa Bay, Inc. (CFTB) to hold its non-endowment, unrestricted funds. CFTB does not have variance power and is not able to modify or restrict these assets. The assets of the ARF are invested according to CFTB's Investment Policy. TBWA will receive quarterly reports detailing the contributions, distributions and earned income/loss of the ARF. TBWA may withdraw funds four (4) times each calendar year contingent upon approval by an affirmative vote of seventy-five percent (75%) of TBWA Board Directors.

(11) Commitments

(a) Facilities

TBWA leases facilities (workforce program offices and administrative office) under cancelable and non-cancelable lease agreements. Pursuant to the original lease document the lease shall remain ongoing until cancelled by either party. The lessor or lessee shall have the right to terminate for any

reason, without penalty, with one hundred eighty (180) days written notice. Lease payments, net of sublease payments, were approximately \$1,270,000 and \$1,200,000 for the year ending June 30, 2021 and 2020, respectively.

In addition, TBWA has entered into sublease arrangements with several of its service partners whereby the partners use office space in the Career Centers. The sublease agreements cover a three-year period and are renewable annually. TBWA received approximately \$99,000 and \$74,000 in sublease payments for the year ending June 30, 2021 and 2020, respectively.

Future minimum lease payments that have remaining terms in excess of one year as of June 30, 2021, are approximately:

<u>Year Ending June 30,</u>	<u>Amount</u>
2022	\$ 1,367,000
2023	196,000
2024	201,000
2025	203,000
2026	222,000
	<u>\$ 2,189,000</u>

(b) **Equipment**

TBWA entered into an operating lease for copiers and other office equipment. The minimum rental payments for the remaining fiscal years ending June 30, 2021 are approximately:

<u>Year Ending June 30,</u>	<u>Amount</u>
2022	\$ 55,000
2023	20,000
2024	2,400
	<u>\$ 77,400</u>

(12) **Employment Benefits**

(a) **Retirement Plan**

TBWA provides a defined contribution retirement plan, Tampa Bay Workforce Alliance, Inc. 401k Plan (TBWA 401k Plan), covering its eligible employees. The TBWA 401k Plan provides for two types of employer contributions, a non-elective contribution (NEC) and a discretionary matching contribution. The discretionary employer match was not elected for fiscal years ending June 30, 2021 and 2020. The NEC is provided to all eligible employees regardless if the employee contributes. NEC totaled \$354,407 and \$397,235 for the year ended June 30, 2021 and 2020, respectively.

(b) **Health and Welfare Benefits**

A cafeteria contribution is provided to eligible employees to be used towards medical, dental, vision and supplemental life insurance. The cafeteria contribution equals 28% of the eligible employee's

earnings. It is included as part of the employee's gross pay and paid twice a month over 24 pay periods. The cafeteria contribution totaled \$866,148 and \$1,665,671 for the year ended June 30, 2021 and 2020, respectively. Effective January 2021, TBWA moved from a cafeteria contribution to employee/employer contribution model for providing health and welfare benefits.

(14) **Concentration of Credit Risk**

TBWA maintains its cash with a financial institution. TBWA's deposits are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times, TBWA has deposits which exceed the FDIC amount. Management does not anticipate nonperformance by the financial institution.

(15) **Grants**

Costs charged to federal programs under cost-reimbursement grants are subject to government audit. Therefore, all such costs are subject to adjustment. Management believes that adjustments, if any, would not have a significant effect on the financial statements. TBWA receives a substantial amount of its support from federal agencies through various grants. Any significant reduction in the level of this support could have an effect on TBWA's programs.

(16) **Legal Matters**

On May 15, 2019, the United States Department of Labor (USDOL) Employment and Training Administration (ETA) issued its report on a compliance review of Florida's Workforce Investment Act and Workforce Innovation and Opportunity Act programs related to TBWA and another local workforce development board (LWDB). The review identified findings and potential questioned costs. The Florida Department of Economic Opportunity, the direct recipient of the USDOL funds in cooperation with TBWA and the other LWDB formally responded to the findings and potential questioned costs. As of the date of the financial statements, the final results have not been released. Therefore, TBWA cannot conclude as of the report date if a loss is reasonably probable, and the amount of any such loss is not estimable at this time.

(17) **Related Party Transactions**

In accordance with applicable regulations, TBWA's Board of Directors includes representatives of private and public sector industries, with which board members are associated for the purpose of providing services to participants. Total payments for providing services to participants during the year ended June 30, 2021 and June 30, 2020 were \$441,123 and \$458,860, respectively, and accounts payable at June 30, 2021 and 2020 were \$36,756 and \$33,643.

TAMPA BAY WORKFORCE ALLIANCE, INC.
Notes to Schedule of Expenditures of Federal Awards
Year Ended June 30, 2021

(1) Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (Schedule) includes the federal grant activity of TBWA under programs of the federal government passed through the Department of Economic Opportunity for the year ended June 30, 2021. The information in this schedule is presented in accordance with the requirements of the Uniform Guidance. Because the schedule presents only a selected portion of the operations of TBWA, it is not intended to and does not present the financial position, changes in net assets or cash flows of TBWA.

(2) Basis of Accounting

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance wherein certain types of expenditures are not allowable or are limited as to reimbursement.

(3) Property and Equipment

Property and equipment were not purchased using federal grant awards during fiscal year ending June 30, 2021. These amounts are included in the Schedule but excluded from the statement of activities as the amount has been capitalized for financial statement purposes and recorded as property and equipment on the statement of position.

(4) Match and Leveraged Contributions and Expenses

Cost sharing (match) or leveraged contributions is a requirement of certain Federal programs and may be fulfilled with in-kind or cash. In-kind match may be in the form of equipment, supplies, and other expendable property, donated time, and the value of goods and services that directly benefit and are specifically identifiable to the Federal program. Cash match may include cash provided for grant activities by TBWA, salaries paid by employers providing incumbent worker training and cash received from partners. Match or leveraged contributions is not reported in the accompanying schedule of expenditures of federal awards as they do not represent amounts expended. Leveraged contributions of \$3,794 represents salaries paid by employers providing incumbent worker training for the H-1B Job Training Grant (TechHire Partnership Grant).

(5) Indirect Cost Rate

For the period July 1, 2020 through June 30, 2022, TBWA negotiated a provisional indirect cost rate of 16.58% of modified total direct cost. A final indirect cost rate of 9.26% of modified total direct costs was utilized for the fiscal year ending June 30, 2021 based on actual expenditures.

REGULATORY REPORTS

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors,
Tampa Bay Workforce Alliance, Inc.:

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Tampa Bay Workforce Alliance, Inc., which comprise the statement of financial position as of June 30, 2021, and the related statement of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated February 17, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Tampa Bay Workforce Alliance, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Tampa Bay Workforce Alliance, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Tampa Bay Workforce Alliance, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Tampa Bay Workforce Alliance, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance, and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE

To the Board of Directors,
Tampa Bay Workforce Alliance, Inc.:

Report on Compliance for Each Major Federal Program

We have audited Tampa Bay Workforce Alliance, Inc. compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2021. Tampa Bay Workforce Alliance, Inc. major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and terms and conditions of federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Tampa Bay Workforce Alliance, Inc. major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the special audit guidance provided by the State of Florida Department of Economic Opportunity and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Tampa Bay Workforce Alliance, Inc. compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Tampa Bay Workforce Alliance, Inc. compliance.

Opinion on Each Major Federal Program

In our opinion, Tampa Bay Workforce Alliance, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

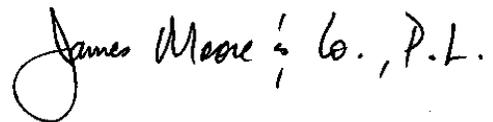

Report on Internal Control over Compliance

Management of Tampa Bay Workforce Alliance, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Tampa Bay Workforce Alliance, Inc. internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Tampa Bay Workforce Alliance, Inc. internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
