*~ Job Fair will help connect Florida Job Seekers to Career Opportunities ~*

**TAMPA, FL** – CareerSource Tampa Bay will host a job fair with multiple employers on Tuesday, December 14, 2021, from 1:00 a.m. to 4:00 p.m. at CSTB's Tampa Center at 9215 N. Florida Ave. Tampa, FL 33612.

Job Seekers interested in participating can register by going to the following website: <http://www.careersoucetampabay.com/jobfair>

To help with the staff/labor shortage crisis in Hillsborough County, Career Source Tampa Bay is partnering with Sunshine Enterprise USA, and other employers, to help connect job seekers with their next career opportunity.

"We are inviting a handful of employers to this job fair," said Angela Lyons, CSTB Business Services Lead. "We look forward to partnering with employers in the community to find the talent they need to grow their operations."

Job seekers can expect multiple open positions to be available across a variety of industries. Career Source Tampa Bay is dedicated to helping job seekers develop their careers or start a new one. At this job fair, we will have multiple staff available to assist with resumes, questions they may have during the application or interview process, and the next step after hiring takes place.

Career Source Tampa Bay will have resources available for job seekers to assist with jobs searches, or networking with an employer. For access to some of the resources we have available now, go to <http://www.careersourcetampabay.com/virtual/>.

"We are in a time that is being referred to as the "Great Resignation." Labor availability has been an issue, this is not a secret. Employers, like Sunshine Enterprise USA, have positions for job seekers that have self-sustaining pay rates for job seekers. Sunshine Enterprise USA is hiring for multi-trades, electricians, landscapers, event staff, engineering positions and more in Tampa area. Join a successful team that offers top pay and benefits," Vice President of Sunshine Enterprise USA, Sam Faragalla, announces to job seekers.

The following positions will be available:

- Assistant Project Manager (Starting at 75k per year)
- Automated Systems Technician (Starting at 22.46 per hour)
