2020-2024 Local Workforce Services Plan Meeting

February 27, 2020

CareerSource Tampa Bay invites you to attend a public meeting to solicit community feedback on the 2020-2024 Workforce Innovation and Opportunity Act (WIOA) Local Workforce Services Plan.

Title I of WIOA requires each local workforce development board (LWDB) to develop a comprehensive four-year plan, to be submitted to the state in partnership with the chief elected official. Regulations require states and LWDBs to regularly revisit and recalibrate state plan strategies in response to changing economic conditions and workforce needs of the state.

The plan is developed through an inclusive approach to gather system stakeholder feedback including partners, providers, participants, local businesses, and the community. Local elected officials, local workforce development board members, core program partners, and mandatory one-stop partners are an integral part of the process. Furthermore, this plan is available electronically and in open meetings to ensure transparency to the public.

CareerSource Tampa Bay values your feedback and welcomes your attendance at the public meeting to be held:

Date and Time: February 27, 2020 at 2:30 pm
Location: CareerSource Tampa Bay
9215 N. Florida Ave., Suite 101
Tampa, FL 33612

Public comments are also accepted in writing by submission to CSTBplan@careersourcetb.com or to the CareerSource Tampa Bay Administrative Offices, 4902 Eisenhower Blvd. Suite 250, Tampa, FL 33634.

Public comments will be taken under consideration through March 4, 2020.
