Canvas Registration Instructions

Hello,

Please follow the instructions below to create a Canvas account and gain access to the Virtual Career Fair!

1. First, navigate to edsi.instructure.com/login/canvas
2. Next, click the link that says, “Need a Canvas Account? Click Here, It's Free!”
3. On the next screen click the button that says, “I’m a Student.”
4. A form will appear. Type CDAJ6G into the field that says Join Code. This is a single-use code that you will use to access the course for the first time. After completing this registration process, you can access the course again by navigating to edsi.instructure.com/login/canvas and entering your email address and password.
5. In the field entitled “Full Name,” type in your full name.
6. Type in your username. THIS MUST BE YOUR EMAIL ADDRESS.
7. Then, create and confirm a password. Your password must include 8 characters.
8. Click the box next to “You agree to the terms of use and acknowledge the privacy policy.”
9. Click the button at the bottom of the screen that says, “Start Learning.” You may need to scroll down to see this button. You will be brought to the “Virtual Career Fair” Home Page. Read all the information on the Home Page, then get started!

When returning to the site, use this link to log in by entering your email address and password:
edsi.instructure.com/login/canvas

For technical support, send an email to canvassupport@edsisolutions.com.

We hope that you find your experience to be fun and engaging. Good luck!
