

COVID-19 TOOL-KIT

MESSAGE FROM CSTB CEO JOHN FLANAGAN

This is a difficult time for all of us as we work to mitigate the impact of COVID-19 on our staff, job seekers, businesses, partners and communities. Not only are school classes moving to online platforms, but many America Job Centers and other organizations that serve the workforce are looking to provide services beyond traditional brick and mortar sites in order to remotely meet their client needs.

We've also just launched a new podcast to help keep you informed on the latest information we have. I hope you listen. More information about our podcasts can be found at <https://bit.ly/2yiLVZu>

To support our customers in this effort, and to help you avoid interruption of service, we want to remind you of the current online CSTB services that can be accessed remotely from their homes via any computer.

In response to the present challenge, we've created a CSTB COVID-19 JOB-RESOURCE Tool kit that outlines resources such as:

- *Reemployment Assistance Service Center Site & FAQ*
- *Small Business Administration (SBA) Loan*
- *How to use Employ Florida*
- *Online Assessments Interests & Educational Sites*
- *O*NET® Career Exploration Tools*
- *Career One Stop*
- *Labor Market Information*
- *Program Information*
- *State Resources*

We want to assure you that CareerSource Tampa Bay is committed to supporting you during these challenging times and continuing to deliver quality services in Hillsborough County. Please don't hesitate to contact us with any questions.

-John Flanagan/CEO CSTB
