About Moffitt Cancer Center

Cancer operates on fear. But cancer has one fear of its own: courage. At Moffitt Cancer Center we see that courage every day. And it inspires us to do things differently.

As Florida’s only National Cancer Institute-designated Comprehensive Cancer Center and one of only 30 leading cancer centers in the U.S. participating in the National Comprehensive Cancer Network, Moffitt is at the very forefront of cancer centers worldwide in pioneering advances like CAR T-cell therapy.

Moffitt is committed to the health and safety of our patients. That is why we think and act differently, matching the courage of our patients with the courage to boldly innovate, so we can save more lives by providing the best care today.
